

Abstract

Research Title : The Study of Colour Values on Paper from Offset Printing.
Author : Mr. Wat Ploysri
Year : 2012

.....

The objectives of this project were: 1) Study the colour printing values on paper from offset printing of 3 type paper such as printing paper 70 gsm, gloss coated paper is 130 gsm and matt coated on 130 gsm. 2) Construction test print form. (test-form) is used to offset printing. Materials and equipments for research use required of ISO12647-2 standard and printed by Roland offset printing machine on model R201. The result appear colour printing values on paper from offset printing of 3 type paper to different colour printing values.
